HONORS**
BANNER PROGRAM

*Includes
Groveland
Vets*

GENESEO VFW POST 5005 and AMERICAN LEGION POST 271

wants to honor all our Community Veterans and Active Military Members past and present. We will be launching a banner program similar to what you have seen in many Towns and Villages in Livingston County. All donations will be strictly used for reducing the cost of the banners and the brackets thus lowering the cost to the Banner Sponsor.

Banner applications will be available the first of the year 2025 at the Geneseo Village Office, the Geneseo Town Office and the Groveland Town Hall. They will also be available at various businesses along Main Street Geneseo.

Banners will be placed along 20A from the entrance of the Wadsworth Homestead to UR Urgent Care. There are 31 Banner Locations (Utility Poles) and all applications for banners will be on a first come, first serve basis with any additional applications placed on a waiting list. We have room for expanding the program in the future. Banners will be displayed from Memorial Day until Veterans Day with the possibility of the remaining days for Community and Civic use.

Your donation will be greatly appreciated

Mail to:

**Frederick Totten VFW Post 5005
